

Tiles Supply

We understand that the finishing touches make all the difference.

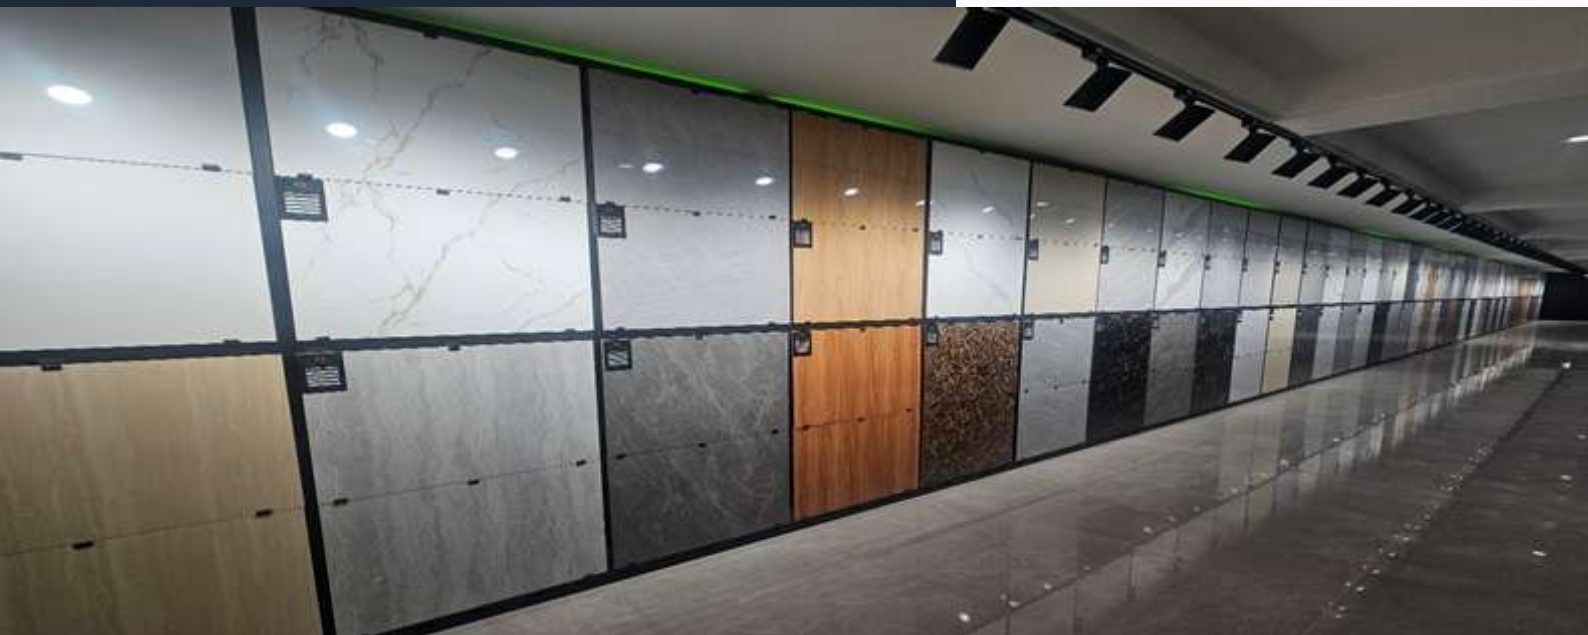

That's why our Tiles Supply Division is committed to providing a wide selection of high-quality tiles to contractors and developers.

What We Offer:

- ① **WIDE RANGE OF DESIGNS**
From classic to modern styles, we carry tiles that fit every taste and project requirement.
- ② **TRUSTED QUALITY**
We source direct from the same factory that manufactures some of the biggest tile brands to ensure tiles are durable and long-lasting.
- ③ **COMPETITIVE PRICING**
Direct supply at fair market prices, giving our clients both quality and value.
- ④ **BULK SUPPLY FOR DEVELOPERS**
Reliable supply chain solutions for housing projects, contractors, and real estate developers.

Who We Serve:

- ⑦ **Contractors & Builders** in need of steady supply for ongoing projects.
- ⑦ **Developers** requiring large-scale procurement for subdivisions, condominiums, and housing projects.
- ⑦ **Design Professionals** who want stylish, versatile, and functional options for their projects.

LET'S BUILD TOGETHER

Have a project in mind or need more details about our services and supplies?

Whether it's building your dream home from scratch, a renovation, interior fit out, setting up a commercial space, constructing an industrial facility, or sourcing quality tiles and other construction materials—we'd love to hear from you.

Corporate Operations Officer: Ms. Andrea De Guzman
